And it came to pass in the eleventh year, in the third month, on the first day of the month. 03/01/11

The Fall of Giants - The Nations Succumb to the Hands of the Giant Slayer

30:20 And it came to pass in the eleventh year, in the first month, on the seventh day of the month, that the word of vuvh came to me, saying, 21 Ben-adam, I have broken the arm of Pharaoh melech of Mitzrayim; and, see, it shall not be bound up to be healed, to put a bandage to bind it, to make it strong to hold the sword.

The sixth vision continues to detail the prophecies of Egypt/the worlds impending doom.

This vision refers to our times today. Ezekiel is given a revelation about an event that will soon occur.

This great defeat is metaphorically called 'breaking an arm of Pharaoh.'

Egypt is destined for destruction before its reconstruction and return to the Hebrew language.

We've now seen through the prophet Ezekiel Egypt's past destruction and now he's laid out Egypt's prophetic future doom and destruction.

This is where the prophecy of the 200 million man army we see in Revelation 9:13 comes into play!

Jer. 46:11 *go up to Gilead and take balm, o virgin daughter of Egypt; in vain you have increased medicines, you have no cure.*

No cure - תעלה te'álâh; Tav Ayeen Lamed Heh; is an expression of binding; because you'd bind a broken bone. A bandage or plaster which'd be placed upon a wound.

V.21 To grasp a sword...so he'd have more strength to wage war.

The bible teaches us that Egypt is actually key to peace settling into the region - but *not* in a manner that many who don't read the bible would expect!

The prophet Isaiah gives us insight to Egypt's prophetic reconstruction:

Isaiah 19:18 In that day there shall be five cities in the land of Egypt that speak the language of Canaan (Hebrew), and swear to יהוה of hosts; one shall be called The city of destruction. Isa 19:19 In that day shall there be an altar to יהוה in the midst of the land of Egypt, and a pillar at the border thereof to יהוה. Isa 19:20 And it shall be for a sign and for a witness unto יהוה of hosts in the land of Egypt; for they shall cry unto יהוה because of oppressors, and he will send them a saviour, and a defender, and he will deliver them. Isa 19:21 And יהוה shall be known to Egypt, and the Egyptians shall know יהוה in that day.

Isaiah 19:

24 And I will strengthen the arms of the melech of Bavel, and put My sword in his hand: but I will break Pharaoh's arms, and he shall groan before him with the groanings of a wounded man near death.

יהוה will support the arms of an Iranian coalition with Russia but will not support the arms of Egypt with its U.S global alliance.

Persia/Iran will be the power house in the Middle East with Russia's backing, Egypt's alliance with the U.S will not be enough to withstand the strength of Persia/Iran.

25 But I will strengthen the arms of the melech of Bavel, and the arms of Pharaoh shall fall down; and they shall know that I am vuvh, when I shall put My sword into the hand of the melech of Bavel, and he shall stretch it out upon the land of Mitzrayim. 26 And I will scatter the Mitzrim among the nations, and disperse them among the countries; and they shall know that I am vuvh.

Scroll Seven. 31:1 -18.

And it came to pass in the eleventh year, in the third month, on the first day of the month. 03/01/11

31:1 And it came to pass in the eleventh year, in the third month, on the first day of the month, that the word of vuvh came to me, saying, 2 Ben-adam, speak to Pharaoh melech of Mitzrayim, and to his multitudes; Who are you like in your greatness? 3 See, the Ashshurim were a cedar in Levanon with fair branches, and with forest shade, and of a high size; and its top was among the thick foliage. 4 The mayim made him great, the deep set him up on high with her rivers running all around his plants, and sent out her little rivers to all the eytzim of the field.

5 Therefore his height was exalted above all the eytzim of the field, and his branches were multiplied, and his branches became long because of the multitude of mayim, when he shot out. 6 All the fowls of the shamayim made their nests in his branches, and under his branches did all the beasts of the field bring out their young, and under his shadow dwelt all great nations. 7 So it was fair in its greatness, in the length of his branches: for his root was by great mayim.

Iran holds the key to destabilizing the globalist economy - oil, gas and nuclear energy *with the stomach of a billy goat* to do what it takes to get the result it desires; history tells us the Persian's won't hold back when provoked by giants in the nations.

8 The cedars in the gan of Elohim could not even hide him: the fir eytzim were not like his branches, and the chestnut eytzim were not like his branches; nor any eytz in the gan of Elohim was like him in his beauty.

9 I have made it pretty by the multitude of its branches: so that all the eytzim of Eden, that were in the gan of Elohim, envied him.10 Therefore this says the Master vuvh; Because you have lifted up yourself in height, and have your top among the thick foliage, and your lev is lifted up in its height; 11 I have therefore delivered him into the hand of the elohim of the gentiles; they shall surely deal with him: I have driven them out for their wickedness.

12 And foreigners, the ruthless of the nations, have cut him off, and have left him: upon the mountains and in all the valleys his branches are fallen, and his branches are broken by all the rivers of the land; and all the nations of the earth have gone down from his shadow, and have left him. 13 Upon his ruin shall all the fowls of the shamayim remain, and all the beasts of the field shall be upon his branches:14 To the end that none of all the eytzim by the mayim exalt themselves for their height, neither shoot up their top among the thick foliage, neither their eytzim stand up in their height, all

that drink mayim: for they are all delivered to death, to the depths of the earth, in the midst of the children of men, with them that go down to the pit. 15 This says the Master vuvh; In the day when he went down to Sheol I caused a mourning: I covered the deep for him, and I restrained the floods, and the great mayim were stopped: and I caused Levanon to mourn for him, and all the eytzim of the field fainted for him.

16 I made the nations to shake at the sound of his fall, when I cast him down to Sheol with them that descend into the pit: and all the eytzim of Eden, the best of Levanon, all that drink mayim, shall be comforted in the depths of the earth. 17 They also went down into Sheol with him to them that are slain with the sword; and they that were his arm, which dwelt under his shadow in the midst of the gentiles.

The gentile nations that put their hands into the conflict with Syria will find they were *unable to pull it out quick enough* before a burning destruction devoured the skin from their flesh.

18 To whom are you to be compared to in tifereth and in greatness among the eytzim of Eden? Yet shall you be brought down with the eytzim of Eden to the depths of the earth: you shall lie in the midst of the uncircumcised with them that are slain by the sword. This is Pharaoh and his entire multitude, says the Master vuvh.

The fall of giants - Egypt, Syria and the gentile nations succumb to the hands of the giant slayer - IRAN.
