

Rev 17:1 And there came one of the seven heavenly angels who had the seven bowls, and talked with me, saying to me, Come here; I will show to you the judgment of the great whore that sits upon many waters: 6 2 With whom the kings of the earth have committed fornication, and the inhabitants of the olam have been made drunk with the wine of her fornication.7 3 So he carried me away in the Ruach into the wilderness: 8 and I saw a woman sit upon a scarlet colored beast, full of names of blasphemy, 9 having seven heads and ten horns. 4 And the woman was arrayed in purple and scarlet color and decked with gold and precious stones and pearls, having a golden cup in her hand full of the abominations and filthiness of her fornication:10 5 And upon her forehead was a name written, MYSTERY, 11 BAVEL - THE GREAT, THE EEMA OF HARLOTS AND ABOMINATIONS OF THE OLAM.

In Rev 11 we examined whether Jerusalem was the ESCHATOLOGICAL city Mystery Babylon!

Today we will look at another candidate. I believe the truth lies somewhere in the middle - Jerusalem the spiritual base of the Synagogue of Satan using another geographic location and people to fulfill its end time goals of wickedness.

Traditionally Rome, it could very well be Jerusalem, it could very well be Mecca as she sits surrounded by 8 different bodies of water.

V. 8 was John carried away to the Arabian wilderness? It's very possible. John was carried away in the Spirit to the desert; the Greek word used here is "eremos" meaning a desert. This definitely throws a spanner in the works of a Roman or 'European beast' theory.

The woman, symbolic for a city, the usual Greek word 'polis' is used, in Hebrew the word 'eer' H 5782 and in Arabic the word is 'medina' YES as in Mecca and Medina!!!!

V.8 and I saw a woman sit upon a scarlet colored beast, full of names of blasphemy...

Look we're coming into the epoch where יהוה is rebuilding the fallen tabernacle of David.

Amos 9:1 I saw the Lord standing upon the altar: and he said, Smite the lintel of the door, that the posts may shake: and cut them in the head, all of them; and I will slay the last of them with the sword: he that fleeth of them shall not flee away, and he that escapeth of them shall not be

delivered.....v.3 thence will I command the serpent, and he shall bite them. V.11 In that day will I raise up the tabernacle of David that is fallen, and close up the breaches thereof; and I will raise up his ruins, and I will build it as in the days of old (quoted in Acts 15:16).

So the context of our last days is a destructions and rebuilding as in: = ***Neh 2:19 But when Sanballat the Horonite, and Tobiah the servant, the Ammonite, and Geshem the Arabian, heard it, they laughed us to scorn, and despised us, and said, What is this thing that ye do? will ye rebel against the king?***

Here's the tell: Sanballat is a derivative of two words:

1. Sin - the pre Islamic moon god
2. Allat the feminine of Allah and one of his three daughters. Sanballat harassed Israel as they were attempting to rebuild the fallen tabernacle of David of which is our time NOW!

Allat is also known as Aphrodite Porne - Aphrodite the temple prostitute, the goddess adorned in scarlet and purple.

Sanballat the Horninte better trans-la-tion emphasis on the trans would be Sanballat the Horney-ite.....i mean they're prancing around this thing in long skirts right doing all manner of freaky religious *scat!*

The Kaba in Mecca is historically decorated in scarlet and purple and dedicated to the Allat/Aphrodite Porne that's why during the Haj the Mohammedan encircles the Cube kissing and rubbing it passionately which rose to quite a contagion problem with this WU-CHAN FLU.

6 And I saw the woman drunk with the dahm of the Yisraelite kidushim, and with the dahm of the martyrs of gauvh : and when I saw her, I wondered greatly. 7 And the heavenly malach said to me, Why did you marvel? I will tell you the mystery of the woman, and of the beast that carries her, which has the seven heads 3 and ten horns.

Past kings morphed into the House of Saud.

The Greek word used here could very well be mountains not hills. Rome is in the midst of seven hills. Mecca is literally in the midst of seven mountains.

8 The beast that you saw was and is not; and shall ascend out of the bottomless pit, and go into perdition: and they that dwell in the olam shall

wonder, whose names were not written in the Scroll of Chayim from the foundation of the olam, when they see the beast that was and is not and yet is.

Ottoman Empire or Islam, had not yet come in John's day, but when they did come it was for a time and ceased to be in 1920 until the beast is healed and revived - *today*.

Again this is a stretch attributing this to a revised Roman Empire since Rome was around in John's day, and this clearly speaks of an empire *not yet* come in John's time, *raised up/was is not/in* the time of John and *yet is revived* at the very end of days.

9 And here is the mind that has chochmah. The seven heads are the seven mountains, on which the woman sits. 10 And there are seven melechim: five are fallen and one is and the other has not yet come; 9 10 and when he comes, he must continue a short space. 11

11 And the beast that was and is not, even he is the eighth and is of the seven and goes into destruction. 12 And the ten horns that you saw are ten melechim, who have received no malchut as yet; but receive power as melechim in just one hour with the beast.

Mecca in Saudia Arabia isn't built on seven hills, but is in the center of them, hence it could be said that she is built upon seven hills. The hills are:

1. Jabal abu Siba
2. Jabal Safa
3. Jabal Marwah
4. Jabal abu Milhah
5. Jabal abu Ma'aya
6. Jabal abu Hulayah
7. Jabal abu Ghuzlan

Is the woman the harlot city Mecca? Mecca is referenced in the Quran (6:92, 42:5) where it is called "*Umm al-Qurā*", meaning "*mother of all settlements*," hence "*mother of all harlots*".

Another name for Mecca, or the wilderness and mountains surrounding it, according to Islamic tradition, is Faran or Pharan, Yes the Desert of Paran mentioned in the Torah (Genesis 21:21)

Gen 21:21 Ishamael became an archer And he dwelt in the wilderness of Paran.

Gen 49:22 Joseph is a fruitful bough, even a fruitful bough by a well; whose branches run over the wall: The archers have sorely grieved him, and shot at him, and hated him:

The wilderness of Paran, the site where Ishmael settled. Fārān is “an arabized Hebrew word. The name of Mecca mentioned in the Torah and where Ishmael settled Paran.

V.10 five have fallen - five past empires to rule the Middle East:

1. Egyptian
2. Assyrian
3. Babylonian
4. Medo-Persia
5. Grecian
6. *one is current* - the Roman of Johns day
7. other was yet to come and didn't come until 1400 years after John wrote this, and when it did come it lasted a short space until the beginning the 20th century - the 7th is Islamic/Ottoman.
8. A revived ottoman empire funded by George Soros and operating under cover of Antifa, BLM, Nato and the UN is the 8th and from the 7th.

V.11 The eighth to control the Middle East, the Ottomans, were the 7th empire to do so. The eighth, also Islamic, is from the 7th, meaning a revival of Islam. The 8th comes from the ruins of the 7th world empire to rule the Middle East.

In Isaiah 21:9, Isaiah levels a prophetic oracle against Babylon using the announcement in Revelation 18:1-2 and Revelation 14:8: **“Babylon is fallen, is fallen”**: Iran (biblical Elam) must destroy Arabia.

“The burden against Dumah” (Isaiah 21:11)

“The burden against Arabia” (Isaiah 21:13)

“All the glory of Kedar will fail” (Isaiah 21:16)

These are all in Arabia, which is destroyed by Iran “Elam.” (Isaiah 21:2)

13 These have one mind, and shall give their power and strength to the beast.

13 Ten formerly moderate Islamic nations will be raised up under NATO, BLM and the UN and join in the beast's vision. Spreading and enlisting nations such as Iran, Lebanon, Egypt and Jordan, ten will swear allegiance to the beast by worshipping him.

14 These shall make war with the Lamb, and the Lamb shall overcome them: for He is Master of masters and Melech of melechim: and they that are with Him are called, the chosen and faithful people of Yisrael. 15 And he said to me, The mayim that you saw, where the whore sits, 16 are peoples and multitudes and nations and tongues. 16 And the ten horns that you saw upon the beast, these shall hate the whore and shall make her desolate and naked, and shall eat her flesh, and burn her with fire. 17 For vuvh has put in their levavot to fulfill His will and to agree and give their malchutim to the beast, until the words of vuvh shall be fulfilled.

History: A Bosnian NATO dry run that culminated with the bombing of Yugoslavia in 1999 by (NATO) North Atlantic *Terrorist* Organization lasted 79 days and resulted in more than 2,500 people dead and 12,500 injured (including 2,700 children).

This was made without the approval of the UN Security Council.

Follow the Clinton/NATO train for too long and you'll see it stops at every DNC station all the way up to Joe-Blow2020 this week!!!!
