

Part 2 Major Spiritual Warfare and Practical Application

19:7 And all the men were about twelve. 8 And he went into the synagogue, and spoke boldly for around three months, disputing and persuading the things concerning the malchut of vuvh. 9 But when some were hardened, and believed not, but spoke evil of the Way before the multitude, he departed from them, and separated the disciples , and they held midrash daily in the yeshiva of Tyrannus.

1. Facing adversity and evil
2. Four bible words that expose roving exorcists
3. Today's seven power players of Skeva
4. What does it mean to be free (four things)
5. Quelling the mob (four stages of cultural comatose docility)

Again, we find that Shaul pushes on in spite of his circumstances and gains immense success in reaching the nations only for the serpent to raise it's ugly head again, in the form of the Synagogue of Satan....

...The Jews who become obstinate - hardening themselves, becoming malicious, insulting - literally spoke רעה - RA; RESH-AYIN-HEH- from Gen.2.9 - evil (naturally or morally) *bringing about adversity, affliction, calamity, + displeasure*. Trying to turn people against him any way they could - even at the sake of their own soul.

10 And this continued for around two years; so that all those who dwelt in Asia Minor heard the word of the Master gauvh, Yahudim, Greeks and Arameans. 11 And vuvh worked special nisim by the hands of Shaul: 12 So that even from the clothes on his body were brought to the sick handkerchiefs, or aprons, and the diseases departed from them, the shedim went out from them, and the insane were restored. 13 Then certain roving Yahudim, exorcists, took it upon themselves to call out over those who had shedim.....

Roving exorcists:

1. **Handkerchiefs:** Gk: *soudarion* - Of Latin origin; a *sudarium* (a sweat cloth), that is, towel (for wiping the perspiration from the face, or binding the face of a corpse). military history of hooding, from hanging to firing squads to retreating troops - it's all about enabling the soldier or executioner to perform their duty of killing.....WWII 15% firing rate to a 90-95% firing rate in Vietnam...why....psychological training of distance - distancing oneself from another's humanity - their face. Kill rate drops

considerably the closer a soldier gets to his enemies face. This is standard knowledge on killing in every military school from West Point to Sandhurst.

6. **Aprons:** *simikinthion* Of Latin origin; a *semi-cinctum* or half girding.....**Yup walking around with a half girding!**

7. **Disease:** מַחֲלָה machălâh MEM-CHET-LAMED-HEH- H4245 *injections anyone!* Hebrew: machălâh. *A bore Hole - Pain: A hole is drilled with a tool. The spot to be drilled is first scored to make an indentation to accept the drill and the beginning of the drilling is the most difficult as the drill can easily slip out. Common: To make something common that is meant to be set apart for a special function. to begin, profane, pollute, defile, break, wound, eat, slay|. A metal pitted from oxidation. To request intervention from a sickness or other trouble. sick, beseech, weak, grievous, diseased, wounded, pray, intreat, grief, grieved, sore, pain, infirmity. (magnets)*

8. **Exorcists** Gk exorkistēs from H5927 alah - associated with Arabic: *Jinn*

Anglicized as genie (with the broader meaning of spirit or demon, depending on source) supernatural creatures in early pre-Islamic Arabian and later Islamic mythology and theology. Jinn are not a strictly Islamic concept; they represent several pagan beliefs integrated into Islam.

To be summoned and bound to a sorcerer.

The word is also used in zoological treatises as animals with a subtle body - **that's a Chimera!** That's what all these test cases are gonna be; Chimera's! Zoological treatises - animals - copyrighted property of the sorcerer!

Cognates include the Arabic majnūn (مَجْنُون, 'possessed' or, generally, 'insane'), jannah (جَنَّة, 'garden', 'eden' or 'heaven'), and janīn (جَنِين, 'embryo').

Jinn are "natural" in the classical philosophical sense by consisting of an element, undergoing change, and being bound in time and space. They resemble spirits or demons in the sense of evading sensible perception, but are not of immaterial nature.

They interact in a tactile manner with people and objects. In scientific treatises the jinn are included and depicted as animals with a subtle body. The Qanoon-e-Islam, written 1832 by Sharif Ja'far, writing about jinn-belief in India, states that their body constitutes 90% of spirit and 10% of flesh.

Brethren what's the converse of this?

Fabrics and masks were brought to the healthy and viruses and diseases incubated within them and demon RNA went into them and they became zombies - insane bound in their DNA to the sorcerer.

in the Name of the Master gauvh, saying, We adjure you by gauvh who Shaul proclaims. 14 And there were seven sons of Skeua, a Yahudi, and the head of the roving exorcist priests, who did the same thing. 15 And the evil shed answered and said, gauvh I know, and Shaul I know; but who are you? 16 And the man in whom the evil ruach was leaped on them, and overcame them, and prevailed against them, so that they fled out of that bayit naked, beaten and wounded.

The occult was a massive part of everyday life in Ephesus, and to a lesser extent all over the Roman world. The Satanic realm is behind every part of it. These are NOT regular people, they are sorcerers, they make a living from it. Sons of Skeva this is multi generational the likes of the the House of Saxe-Coburg and Gotha (a branch of the House of Wettin, Wettins gradually rose to power within the Holy Roman Empire from right here.

17 And this was known to all the Yahudim and Greeks 5 also dwelling at Ephsiyah; and fear fell on them all, and the Name of the Savior gauvh was magnified. 18 And many that believed came, and confessed, and showed their s.a.tanic deeds.

19 Many of them also who used magic brought their books together, and burned them before all men: and they counted the price of the books, and found it fifty thousand pieces of silver.

The whole system has monitized our labor.

To be a free people you must have four things:

1. Land
2. An army
3. Labor
4. Treasury

Living in Mystery Babylon there is only the image of freedom, Jer. 2 - *Israel is a slave; he's a home-born servant. He has become prey* for the Eagle!

1. **Land:** BLM - Bureau of Land Management, Bill Gates
2. **An army:** the Fed, Revenue agents
3. **Labor:** bonded, numbered and traded from birth
4. **Treasury:** trading on your Estate

In Yahusha there was and will be freedom again:

1. **Land:** When Yahusha steps out on land the occult cry out and fall down before him. He's King. He breaks the bonds and sets the captives free. Lk. 8.
2. **An army:** He has an army and the magicians will be gathered to make war against him who will be sitting on the horse and against his army. Rev 19.
3. **Labor:** Come to me, all who labor and are oppressed, and I will give you rest. Matt 11.
4. **Treasury:** Yahusha sits opposite the treasury and keeps watch. Mk.12

50,000 drachmas (silver coins that were a basic unit of currency), was a princely sum, worth about 50,000 days of labor (one drachma or denarius for a day of work), or about 167 years (working 6 days a week or 300 days a year).

You don't think Lucifer wants his pound of flesh for this?

Of course he does that is what this great reset is going to bring about - cradle to grave laborers working to pay of 167 years of debt per "fictitious person" that you step in and become surety for as home born slaves.

These are magic scrolls, fictitious paper instruments for the use *only* of the sorcerers themselves, they can add leaves to them or subtract leaves from them, increase the ledgering or decrease the ledgering whilst nothing on the land realm actually changes.

We call these books FRN's no longer backed by silver like in the text, or pre 1933 - but Mystery Babylon debt instruments backed by their occult "in god we trust" Lucifer - the enlightened one.

They invoke faith in the deity because they know the people won't accept them otherwise, because they have no substance in earth reality.

Without them the exorcist was powerless and they were worth a great deal of money!

Beware of the silversmiths causing a great disturbance about this kind of teaching!

20 So mightily grew the word of vuvh and prevailed. 21 After these things were ended, Shaul purposed in the Ruach, when he had passed through Makedonia and Achayah, to go to Yahrushalayim, saying, After I have been there, I must also see Romiyah. 22 So he sent into Makedonia two of them that attended to him, Timtheous and Erastos; but he himself stayed in Asia Minor for a while.

23 At the same time there arose a big stir about the Way. 24 For a certain man named Demetrius, a silversmith, who made silver shrines for Artemis the pagan mighty one, brought no small gain to the craftsmen; 25 When he called together the shrine makers, and said, Sirs, you know that by this craft we have our wealth. 26 Moreover you see and hear, that not only at Ephsiyah, but almost throughout all of Asia Minor, this Shaul has persuaded and turned away many people, saying that they are not mighty ones which we make with our hands:

27 So that not only our livelihood is in danger to come to nothing; but also that the shrine of the great female mighty one Artemis should be despised, and her magnificence should be destroyed, whom all in Asia Minor and the olam worships. 28 And when they heard these sayings, they were full of wrath, and cried out, saying, Great is Artemis of the Ephesians.

29 And the entire city was filled with confusion: and having caught Gaius and Aristarchus, men of Makedonia, Shaul's companions in travel, they rushed with one accord into the theatre. 30 And when Shaul would have entered into the mob, the talmidim did not allow him.

31 And certain of the officials of Asia Minor, who were his chaverim, sent for him, desiring that he would not risk his chayim in the theatre. 32 Some therefore cried one thing, and some another: for the mob was confused; and most did not know why they had come together.

33 And they drew Alexander out of the multitude, the Yahudim putting him forward. And Alexander motioned for silence with his hand, and would have made his defense to the people.

34 But when they knew that he was a Yahudi, all with one voice for about two hours cried out, Great is Artemis of the Ephesians. 35 And when the clerk had quieted the people, *he said, You men of Ephsiyah*, what man is there that knows not how that the city of the Ephesians is a worshipper of the great female mighty one Artemis, and her image which fell down from Zeus in heaven?

The clerk speaks, look who actually wields Satans scepter.....

The one person that everyone listens to, the clerk steps forward. He was the arbitrator between civil authorities and the Roman imperial rule and spoke for both sides.....I don't know if you get what I'm laying down here.....

His message is an official speech (19:35-40) with four parts, and finally the mob is quelled as people begin to listen.

1. *The exordium* **V. 35** the clerk reminds the mob that "all the world" knows that their city has the honor of being the "guardian" of the occult system. The term *neokorus*, or guardian.....we're coming out of the matrix here Neo, *neokorus* was a special title meaning the *temple-warden*. *The one who kept the people bound in the Ephesian matrix.....a synonym for Mystery Babylon today.....*Ultimately your fate is tied up with Neo.....either this world's temple warden.....or the True Temple warden over the Malki-Tzedik priesthood.....we hold the keys to our own prison, the clerk is the one who either turns the key clockwise or counterclockwise based upon '*performance*' in the Queens Court.
2. The *proposito* or thesis V. 36: the call to calm down, become docile and not do anything rash.
3. The *probatio*: sounds like probation doesn't it....has a judge, really it's the clerk who holds the scepter ever put you on probation.....? It's an argument, a controversy meant to prove a point. The clerk tells the bankers/the silversmiths they had better change their approach....bring the charges before the city courts and the Roman proconsuls.
4. The *peroratio*: or conclusion, attempts to instill fear by warnings of being charged....sound familiar...wanna settle, wanna cop a plea.....settling and pleas are for home-born slaves and attorneys attorn for the dead. Nothing more than a Roman military action, a loss of privileges the Romans had extended to the Ephesians.....Surrender your rights and accept the privileges and penalties was conjured up by Lucifer in Tyre and was the foundation to

the Greco-Roman legal system and is the foundation of Mystery Babylon's legal system - our modern Globalist world order.....

36 Seeing then that these things cannot be spoken against, you should be quiet, do nothing in haste.

37 For you have brought here these men, who are neither robbers of CHURCHES-temples, nor blasphemers of your female mighty one.

William Tyndale translated ecclesia as "congregation" and only used church to define a heathen, pagan temple a - *hierosulos* here in his 1526 translation.

38 Therefore if Demetrius, and the craftsmen who are with him, have a matter against any man, the courts are open, and there are proconsuls: let them accuse one another.

39 But if you inquire anything concerning any other matters, it shall be determined in a lawful court. 40 For we are in danger to be called to an account for this day's riot, there being no reason we can give to account for this mob scene. 41 And when he had spoken, he dismissed the crowd.

Lawful courts...what are they? Statutory? Chancery? Maritime? Admiralty?

יהוה gave the people favour in the sight of Mystery Babylon, so that they rendered unto them such things as they required. And they spoiled Mystery Babylon. Exo. 12:36 paraphrase.

Therefore they said among themselves, Let us not tear it, but cast lots for it to find whose it shall be...Therefore the military did these things..

Greco-Roman humanity has cast lots for man's skin garment.....come join the lottery it's the race to admire the glory of **the one transformed into an angel of light.....the military industrial complex does these things....OR** it's the time to train for transfiguration....or Lot's lottery.....trodden underfoot of men.....**Ye are the salt of the earth: but if the salt have lost his savour, wherewith shall it be salted? it is thenceforth good for nothing, but to be cast out, and to be trodden under foot of men.....tired of being trodden underfoot of men.....?**
