

28.1 And having come to safety, then they learned that the island was called Malta. 2 And the barbarians who lived there showed us much kindness: for they lit a fire, and received each one of us, because of the falling rain, and because of the cold. 3 And when Shaul had gathered a bundle of sticks, and laid them on the fire, there came a viper out of the heat, and bit his hand. 4 And when the barbarians saw the creature hanging on his hand, they said among themselves, No doubt this man is a murderer, who, though he has escaped the sea, yet judgment does not allow him to have his life 5 And he shook off the viper into the fire, and felt no harm.

The Kingdom of יהוה and spread of the besorah is has been set in motion through a life of trials, tests, set backs and successes. Isn't that what we're really all called to do?

To use this life to spread the life giving message of repentance, forgiveness and turning ones life over to the Savior to a lost world.

And the goal... *Well done, good and faithful servant; thou hast been faithful over a few things, I will make thee ruler over many things: enter thou into the joy of thy lord....*

Luke uses the term "barbaroi" or barbarians to describe the islanders, the survivors of the ship wreck expected a certain measure of hostility for invading their island but were surprised when they were "shown unusual kindness" - "philanthropia" philanthropy - welcoming strangers and caring for them.

How many today will have the capability to exhibit philanthropy, when most have chosen to place their hands in with the rest of the nations and have been bitten by a viper that shuts down the part of the brain that is most needed for philanthropy - empathy and compassion?

Sticks Heb. עֵץ

'êts, Gk froo'-gan-on. The sticks in the fire where the viper hides are the nations of the earth and amongst the nations of the earth are the two houses of Israel - sticks.

Eze 37:19 Say unto them, Thus saith the Master יהוה ; Behold, I will take the stick of Joseph, which is in the hand of Ephraim, and the tribes of Israel his fellows, and will put them with him, even with the

stick of Judah, and make them one stick, and they shall be one in mine hand.

The sticks of the nations shall be as stubble, what's amongst them will burn them, I believe like Zech explains that the burning will be in the veins.

Isa 47:14 Behold, they shall be as stubble; the fire shall burn them; they shall not deliver themselves from the power of the flame: there shall not be a coal to warm at, nor fire to sit before it.

Ecc 10:8 He that diggeth a pit shall fall into it; and whoso breaketh an hedge, a serpent shall bite him.

I believe as we sail towards Yom Kippur we're fast approaching the rocks and sandbar of the Day of יהוה. We know that the serpent is a piercing serpent, it punctures the skin to get the venom in and it swims around in the seas... Leviathan that International, Admiralty, Maritime piercing serpent of old, this viper is commercial in nature and hides amongst the sticks...

Six things:

1. There's definitely a viper in the fire TODAY!
2. It's been hidden in the sticks for decades and the Elite, the Barbarian Islanders have been telegraphing it's whereabouts for years. Larry Fishburne coined the phrase "Social Distancing" in the 2011 movie "Contagion." "V"
3. The majority have fallen under the spell, the misguided belief that the Elite, the Barbarian Islanders are showing humanity ***much kindness (v.2)*** with their venomous solution to the very problem they created.....burying a viper in the sticks.
4. Can we expect to get healing if we allowed ourselves to get bitten by poison?
5. Is the bite, really the mark of the beast?
6. Are the Barbarians really behind this viper in the fire?

Gen 3:1 Now the serpent was more subtil than any beast of the field which יהוה Elohim had made.

The serpent beguiled me, and I did (eat) put my hand amongst the sticks.

Gen 49:17 Dan shall be a serpent by the way, an adder in the path, that biteth the horse heels, so that his rider shall fall backward.

Many of the scientists behind this bite are Danish, Danites, Hungarians - the Huns. Kariko is the Hun lady, the BioNTech overseer.

Rods turning into serpents...serpents turning into rods. Rods.... whole nations being bit - מַטֵּה *matteh* by a *matteh* a lance BUT it's also the same word for TRIBES or NATIONS, the STICKS; there's a piercing lance among the nations.

6 But they looked to see when he would swell up, or die suddenly: but after they had looked a great while, and saw no harm come to him, they changed their minds, and said that he was a mighty god.

What if the affects of the bite are not seen for months, years....are we going to spread the gospel or just wait around to see if people will swell up and die?

7 In the same area were lands belonging to the chief of the island, whose name was Publius; who received us, and lodged us at his home for three days most courteously. 8 And it came to pass, that the father of Publius lay sick of a fever and of a bowel pain: to whom Shaul entered in, and made prayerful petition, and laid his hands on him, and healed him.

What happens when the Elite, the chiefs of our little Island here begin to succumb to sickness and fever? Will this be another non newsworthy event or has the Scripture prophesied the Elite, the chiefs of the island, the kings of the earth will fall under bowels of pain?

There are a lot of good people who are full of regrets right now...I meet them everyday...they regret who they voted for, they regret that they spent all their stimulus, they regret that they believed others when they told them it was okay place their hand in a bundle of sticks named, Astra Zeneca, Moderna, J&J and Pfizer....

you wanna give Pfizer a call here's their number they'll tell you in the first 30 seconds that their jab Pfizer BioNTech isn't the approved jab BUT Comirnaty is approved.

Comirnaty isn't even available until 2024. They are snake-biting the unsuspecting public into gathering sticks when they **know** what's hidden amongst the wood! An EUA is not an Approval. Let's be clear on that... their number... 800-666-7248.

9 So when this was done, others also, who had diseases in the island, came, and were healed: 10 Who also honored us with many honors; and when we departed, they gave us such basic things as were necessary.

See, Satan is the viper, what is up is down, what is black is white and if יהוה can use this situation for miracles and life then you bet Satan who is the creator of NOTHING will use this template for catastrophe when placed in the hands of barbarians.

Instead of the phrase “**others also, who had diseases in the island came and were healed**” v. 9, it’s currently going to be pushed on the third-world population too so they also will suffer the same affects, it won’t bring about the healing they seek, you and I know that!

10 Who also honored us with many honors; and when we departed, they gave us such basic things as were necessary.

Do you know how many trillions and trillions the viper in the sticks has made for these demons? Do see the honors and accolades the press and politicians place upon their saviors? It’s disturbing, it’s a death cult.

11 And after three months we departed in a ship from Alexandria, which had wintered on the island, whose carved figurehead was Castor and Pollux.

We have to look at the figurehead and then we see the god they serve! Here it was the twin gods Castor and Pollux who were the sons of Zeus symbols of divine help for sailors - who has this admiralty, maritime cult put their hope in? Mystery Babylon is the maritime admiralty cult.

These gods were test-tube babies what’s called a heteropaternal superfecundation where there’s the fertilization of two or more ova from the same cycle of seed from two separate acts of intercourse - kinda like something you would concoct in a LAB in WHUHAN CHINA, but there’s more..... these little demon spirits were the patron saints of sailors, the maritime, admiralty to whom they appeared as St. Elmo’s fire....St. Elmo’s fire is A LUMINOUS PLASMA CREATED BY A CORONA DISCHARGE created from a needle, rod, or spire!!!!

So let me get this straight; so far in this chapter we have a maritime vessel that is full of slaves, that the politarchs want to kill while they escape to safety, led by a pair of demons from a lab concocted seed experiment who bring about a **luminous plasma created by a corona discharge from a needle or a rod** that casts the slaves upon an island of barbarians where the viper is waiting amongst the nations/tribes or sticks to bite them with its poison.....

12 And landing at Syracuse, we stayed there three days. 13 And from there we got hold of a compass, and came to Rhegium: and after one day the south wind blew, and we came the next day to Puteoli: 14 Where we found Yisraelite brothers, and were invited to stay with them for seven days: and so we went toward Rome.

15 And from there, when the Yisraelite brothers heard of us, they came to meet us as far as Appiiforum, and the Three Taverns: who when Shaul saw, he gave thanks to vuvh, and took courage.

16 And when we came to Rome, the captain delivered the prisoners to the captain of the guard: but Shaul was allowed to dwell by himself with a soldier that kept him.

Second class citizens because you think differently, hold to divergent beliefs than the Barbarians...an ankle minitor and a health App for you seem appropriate seeing as you won't gather sticks on the Shabbat!

17 And it came to pass, that after three days Shaul called the rulers of the Yahudim together: and when they had come together, he said to them, Men and Yisraelite brothers, though I have committed nothing against the Yahudim, or the Torah of our fathers, yet was I delivered as a prisoner from Yahrushalayim into the hands of the Romans. 18 Who, when they had examined me, would have let me go, because there was no reason for death to be brought against me.

Stand strong, stick to your sincere-religious-convictions and do nothing against the True Jews, or the Torah of our fathers.

If we do that then we become prisoner for Yahusha's sake and it's all counted for glory....but you'll find if you stick to your sincere-religious-convictions you'll find true freedom, freedom from fear and intimidation and freedom to live out a faith of conviction....a living faith....

19 But when the unbelieving Yahudim spoke against it, I was obliged to appeal to Kaiser; not that I had anything to accuse my nation of.

20 For this cause therefore have I called for you, to see you, and to speak with you: because it is for the hope of Yisrael 1 2 that I am bound with these chains.

21 And they said to him, We neither received letters out of the province of Yahudah concerning you, neither did any of the Yisraelite brothers that came here show, or speak any lashon hara against you.

Let's not succumb to Lashon Hara in a world of Lashon Hara.

Ecc 10:11 Surely the serpent will bite without enchantment; and a babbler is no better.

Psa 58:4 Their poison is like the poison of a serpent: they are like the deaf adder that stoppeth her ear.

Ps 140.3 They have sharpened their tongues like a serpent; adders' poison is under their lips.

22 But we desire to hear from you what you think: for as concerning this sect, 3 we know that everywhere it is spoken against. 23 And when they had appointed him a day, there came many to him into his lodging; to whom he expounded and testified about the kingdom of vuvh, persuading them concerning Yahusha , both out of the Torah of Moshe, and out of the Neviim, from morning until evening. 524 And some believed the things that were spoken, and some believed not.

25 And when they agreed not among themselves, they departed, after Shaul had spoken one final word, Well did the Ruach Hakodesh speak by Yeshayahu the navi to our fathers, 26 Saying, Go to this people, and say, Hearing you shall hear, and shall not understand; and seeing you shall see, and not perceive: 27 For the lev of this people is grown hardened, and their ears are dull of hearing, and their eyes have they closed; lest they should see with their eyes, and hear with their ears, and understand with their lev, and should make teshuvah, and I should then heal them.

We live amongst such people, people who are unable to hear what you have to say, unable to understand your reasons and faith, family who simply cannot see in the Scripture what you have been blessed to see, loved ones who cannot perceive what you are able to perceive....

there is only so much you can do if someone has chosen to harden their heart....

there is only so much that can be done if we trust in benefits for our healing and turn from the true healer - **Bless יהוה , O my soul, and forget not all his benefits: Who forgiveth all thine iniquities; who healeth all thy diseases;**

28 Be it known therefore to you, that the gauvh of vuvh is being sent to the nations, 2 and that they will listen to it. 29 And when he had said these words, the Yahudim departed, and had great reasoning and arguing among themselves. 30 And Shaul dwelt two full years in his own rented bayit at his own expense, and received all that came in to him, 31 Proclaiming the malchut of vuvh, and teaching those things about gauvh ha Moshiach: with all confidence, no man forbidding him.
