18:1 Woe to the land of fluttering wings, which is beyond the rivers of Ethiopia: 2 That sends agents by the sea, even in vessels of reeds upon the mayim, saying, Go, swift messengers, to a nation scattered and peeled, to a people feared from their beginning forward; a nation mighty but trampled down, whose land the rivers have divided! 3 All you inhabitants of the olam, and dwellers on the earth, see, when He lifts up a banner on the mountains; and when He blows a shofar, listen. 4 For this is what vuvh said to me, I will take My rest, and I will look from My dwelling place like a clear heat upon the river, and like a cloud of dew in the day of harvest. 5 For before the harvest, when the bud is perfect, and the sour grape is ripening in the flower, He shall both cut off the twigs with pruning hooks, and take away and cut down the spreading branches. 6 They shall be left together to the fowls of the mountains, and to the beasts of the earth: and the fowls shall prey upon them, and all the beasts of the earth shall devour them. 7 In that time shall the present be brought to vuvh tzevaoth of a people scattered, tall and darkened, and from a people feared from their beginning forward; a nation dishonored and trampled under foot, whose land the rivers have divided, to the place of the Name of vuvh tzevaoth, to Har Tzion.

This prophecy refers to the fall of the kingdom of Judah at the hand of it's enemies originating from across the rivers of Kush.

V. 1 "Land of fluttering wings,' is 'beyond the rivers of Kush/Ethiopia.'

In ships from distant lands and their sails will be spread out like eagles wings... putting their surrounding in shadow. Do you feel like your history is hidden in the shadows?

V.2 this verse explains the Kings of the earth will send agents to see if Israel is truly awakening to their identity, to see if Israel is readying its exit from the world into the kingdom, returning to their tribal eminence!

- Ethiopia: history of Menelick I and Menelick II - descendants of King Solomon. Menelick — from Melech—King.
- Egypt's Pharoah's were black, not white. Egypt-Mitzrayim=burnt face (black).
- The ancients referred to their "country" as Kemet-KMT, which has been written many different ways: Kemet, Kemit, Khemet, Khem, Al Khem—Khemit. It literally meant "the Black Land" - Land of the Blacks"
- How did Moshe go undetected for 40 years in a land of black faces?

- How did Joseph's brothers not recognize him in the land of the black faces if he was a white man?
- Noach called his son Ham in Hebrew Kham - Chet-MemSofet = hot.
- Khamit and Kham are the same in Hebrew which represented the coloring of the people of Egyptians. What happens if something remains hot for a long duration of time? It will eventually turn black.
- Ex 2:19 Moshe was described as a Mitzri - black face from the land of the blacks. They didn't say a Mitzri-Laban, which would have meant an albino African - like Yackov's uncle.

"fluttering wings" refers to the *"chirping of insects wings,"* or to the fluttering should of *"wings"* or *"sails,"* of ships. It comes from the Hebrew word *tsél* Tzade Lamed H6738 *"shade of the wings,"* or sails of a vast armada of slave-ships from beyond the rivers of Kush, it refers to sailing vessels... *"a nation pulled and plucked,"* exiled from Jerusalem to Negro-land and the Kingdom of Judah only to be *"pulled and plucked,"* again in sailing vessels - exiled by their enemies and oppressors - Judah has been *"pulled and plucked,"* from us and has now fallen into the hands of nations to be re cast as something their not to expediate an agenda of which we all loose out except the global elite.

V.2 ...a people feared from their beginning forward; a nation mighty but trampled down. The Regal Negroes of the House of Judah who were *"pulled and plucked,"* from Jerusalem in 70CE to settle in Negro-Land West Africa were a society, a kingdom community that was feared by those who opposed the Torah and the Elohim they stood for.

V.4 As the clear heat in sunshine, as a cloud of dew in the heat of a summer day...the Ashkenazi slavers working with the blue black Africans were encouraged by their earlier victories so they were determined to *"harvest their crop,"* to complete their objective of enslaving Judah once and for all. This is similar to one who is determined to harvest his crop after many months of hard work, and neither the burning heat of the sun, nor cloud of dew in the heat of summer will deter him from completing is slave harvest.

7 In that time shall the present be brought to vuvh tzevaoth of a people scattered, tall and darkened, and from a people feared from their beginning forward; a nation dishonored and trampled under foot.

Isa.11:13 The envy/qin'âh..."gathering for the seeds" *"The building of the nest and family"/ also of Ephraim...* the non-melanized Israelites...**shall depart...** racial supremacy and nationalism will collapse in light of the biblical narrative whilst at the same time... **the adversaries of Judah shall be cut off ...**those

that try to prevent the the Migration of Juda message of restoration and the exposure of the synagogue of satan...**will be cut off.**

When we all wake up to the melanization of Israel and how we all have an equal place in our ancestral home then...when...**Ephraim shall not envy Judah, and Judah shall not vex Ephraim.**

The Khazars-Turkik Monguls that the bible calls the synagogue of Satan that has conjured up all this vexation and con-trov-versy.
